M/Y Richar is an elegant, 4 deck, 57m (186ft) Mega-yacht, with an impressive interior volume of 44 gross tons.

Delivered in 2008 to Lloyds classification, her stunning interior design, in a regal Baroque-style, is an opulent work of art, combining engraved mahogany wood, rare marbles and crystal, with the most refined carpets as well as the custom-made seventeenth-century themed furniture, rendered even more stunning by inlays, lacquered decorations, and gold appliqués. . Some of the unique features of this superyacht are her fully operative wood stove in the panoramic lounge; a video-projector hidden in an overhead which transforms the lounge into a full-size movie theatre; a large 6.5 x 2 meter pool that has an adjustable current that turns the water into an aquatic treadmill; a wellness center styled after a Turkish bath, an aroma-therapy suite, scented fir sauna, a massage room with a beauty shop and a fitness room.
