## CELIA P | Mondomarine

CELIA P built in 2008 by the prestigious Italian shipyard Mondomarine, is a 41m (134'6") motor yacht that makes a statement in every sense. Having recently completed an extensive 2026 refit, she returns even bolder, offering cruising in modern, airy living spaces.

Her refined interior, conceived by Envi Marine, blends contemporary styling with a warm, welcoming ambiance. Expansive windows fill the main salon and guest areas with natural light, while her impressive 8m beam and 333 GT volume create a remarkable sense of openness throughout.

Based in Greece, CELIA P offers the flexibility to cruise both the Eastern and Western Mediterranean, guided by a highly experienced and dynamic crew.
